

Great Pacific Harmony – 2008 Pan Pacific Convention

Convention Dress Code

There is no specific Dress code for the Pan Pacific Convention. For the Welcome reception and Awards presentation we suggest aloha attire or the convention polo shirt. For daytime wear, as with other society conventions, comfortable, casual dress, including shorts and sandals are appropriate, and comfortable but supportive footwear is always recommended.

For the contests and show at the Hawaii Theatre there is no specific dress code either. Our local population routinely wears a variety of dress, including evening dress, aloha attire and casual dress. We recommend a light jacket or sweater for the theatre especially for those seated in the balcony which is usually much cooler than the orchestra.
